10th November 2026

Dear Parents/ Carers,

Re: Roman Workshop

We are delighted to announce that we have arranged a visitor from History Helper to host a Roman workshop in school on **Thursday 26th November**. This will support the pupils' understanding on our new history topic.

The pupils will be participating in an interactive role-playing workshop that will involve investigating different objects that were used in Roman times

The cost of the workshop is **£2.59.** Payment is now live on Arbor. The cost is a voluntary contribution. However, not receiving adequate payment can result in the day not going ahead. If for any reason the cost is difficult for you, please contact the office.

We hope you agree that this is an exciting opportunity for Year 4.

Thank you for your continuing support.

Mr Chambers and Mrs Anderson
Year 4 Teachers
